VANCOUVER, WA- The Northwest Athletic Association of Community Colleges is proud to announce that Ringor is the Official Baseball and Softball shoe provider of the NWAACC for the 2006-07 season.

The agreement stems from a long standing affiliation between Ringor and the NWAACC. In the past few years, Ringor has displayed their products at the NWAACC Softball Championship and provided many NWAACC teams with shoes, bags and clothing.

This past summer, the company provided footwear and travel suits for a team comprised of former NWAACC athletes. The NWAACC team represented the United States in an International Baseball Tournament in Haarlam, Nederlands. With Ringor's assistance, the team finished third in the tournament.

The NWAACC Executive Director, Dick McClain said "This is an exciting time for the NWAACC to join up with a quality Northwest company like Ringor. I expect this to be the beginning of a strong partnership."

"At Ringor, we are true fans of the college game first and foremost. As a former NWAACC baseball player myself, and speaking for the several former NWAACC athletes at Ringor, we are proud to be associated with a league as innovative and passionate about the sports as we are," says Gary Killingsworth, Ringor Marketing Manager.

About Ringor

Since 1983 Ringor has strived to improve baseball and softball. Realizing the need for year-round and sport specific products, Ringor stepped up to the plate in order to provide athletes with the footwear, apparel and accessories they require. Ringor products are designed with the latest in technological advancements for an unsurpassed level of comfort leading to safety and performance.
