

Its simple! In order to get recruited, you need to be SEEN by college coaches.

Only you & your family can identify the schools that best fit your academic, social, and athletic goals. That's why it's up to you to supply coaches with the most up-to-date information about yourself.

Skillshow offers services that will enable you to quickly and effectively show your skills to college coaches online. Video can be the first step to getting the visibility you want or it might be requested by a coach that has already heard of you but has yet to SEE you play. Be prepared and be proactive!

Sign up for Skillshow individual services or save money with one of our SPECIAL PACKAGES:

“ACT System” - Updateable Online Resume:

Show your most current information! Skillshow's "Athletic Career Tracking System" is an online resume service that allows each athlete & parent to be able to update his/her personal statistics, schedule, academic info, photos, videos, references, & more. Nobody knows an athlete better than the athlete's family, so you should be the first ones to update your information. Minimize delays in your recruiting process & be efficient with the 'ACT System'.

'ACT System' (without video) – 1 year: **\$99.95 or \$9.95/mo.** (regular \$119.40)
'ACT System' (with video; see below) – 1 year: **\$159 or \$14.95/mo.** (regular \$179.40)

Video Package 1 – Send In Home Video:

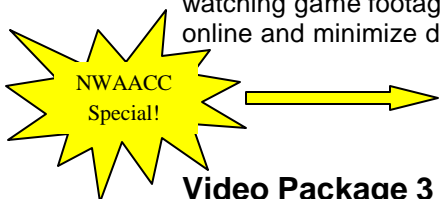

Use your own camera! This package is great for parents and players that film their own games and need help editing their footage into a good presentation for college coaches. When included with the "ACT System", the edited video can be posted online and accessible to recruiters 24/7!

ACT System – 1 year: \$159 (regular \$180)
Pro Edit of Home Video: \$125 (regular \$150)
Total: \$284 (regular \$355)

Video Package 2 – Pro Filming & Editing of Games:

Show your intensity! If you want professional video footage, Skillshow can come film a local game or event AND edit your personal footage into a recruiting video. Coaches want to see you compete and watching game footage is a great way to show how you play, move, & interact with teammates. Show it online and minimize delays and mailing hassles!

ACT System – 1 year: \$159 (regular \$180)
Pro Film & Edit of Match: \$150 (regular \$300)
Total: \$309 (regular \$480)

Video Package 3 – Personalized Skills Filming Session:

Show your skills! The best way to make a first impression is to show yourself performing all the basic skills that a coach would want to evaluate. With this package, Skillshow will film you during a private or group 'skills session' to demonstrate your athleticism and position specific talents. This is a great way to show your complete skills sets and offer a personalized introduction interview for the coaches.

ACT System – 1 year: \$159 (regular \$180)
Skillshow Skills Video: \$350 (regular \$495)
Total: \$509 (regular \$675)

Video Package 4 – The Complete Package:

Show the complete package! There is no better way to cover all your bases than to demonstrate your individual specific skills and your team play too. This package combines game footage and a personal skills video so you can make your best & most personal connection with college coaches.

ACT System – 1 year: \$159 (regular \$180)
Pro Film & Edit of Match: \$200 (regular \$300)
Skillshow Skills Video: \$325 (regular \$495)
Total: \$684 (regular \$975)

Payment plans are available on all packages!
